

## The Beginning of The New Century

FOR 1901 you will find at the One-Price Hardware a complete line, good goods and honest prices as usual. The past year has been one of improvement and advance, of joys and sorrows and of lessons for the future. Life is a school, experience the teacher. Let us improve by our lessons.

I thank you for my continued increase of business. With your patronage I have been able to build up a good solid establishment against many obstacles; and I am proud of my customers and appreciate their integrity and their compliance with the principles upon which my business is based. For 1901 I shall endeavor to make my business conserve still more to your interests, your interests are also mine.

Honest action alone can give confidence, honest action only can merit confidence, you must be honest with me and I with you. The public are largely responsible for conditions in business as well as society and all the divisions of life—its patronage of corruption and wrong doing encourages and breeds a continuance and increase destructive to every betterment.

An establishment to be secure must be built solidly on the rock of integrity and right and cemented by the rational confidence of the public.

The merchant cannot hope for success without the co-operation of his customers—he must be reliable, honest, prompt. His business controlled by a positive system; the customer must be equally so.

It is for the interest of both to be honest with each other and work in harmony. It is not intended that one shall be a servant to the other a victim. Their interests are mutual; they are associated for a common advantage.

Wishing you a successful and happy new year,  
I remain sincerely,

H. H. HOFFMAN,

BROWN CITY, MICH.

### A Cigar Bean.

The "cigar bean" of Batavia is a wild fruit recently discovered in Batavia. The pod is like a cigar in shape and color, but only an inch long, and when put into water it rests on the surface for several minutes, then explodes like a torpedo, hurling the seed in all directions. If allowed to ripen in a warm place the pod gradually splits lengthwise from point to base. If left to ripen on the plant it splits open more suddenly.

### A Kansas Minister.

Rev. S. L. Coulton, of Circleville, Kan., says: "Dr. Warner—Your White Wine of Tar Syrup has been in my family and found to be even more than you claim for it. It is a speedy cure for all throat and lung diseases." For sale by Staley & McKeith.

### Copper Is Dear.

Several of the largest abandoned copper mines in eastern Maine will again be operated. The Maine copper mines were in successful operation in 1879 and showed good profits while copper was quoted at 14 cents. The mines could also be operated on a paying basis with copper at 12 cents, but the crash came when the Wisconsin mines put down the price of copper to 8 cents. Now that copper is so high it will be very profitable to mine it.

### TABLE TALK.

The January issue of TABLE TALK starts off the first number of the New Year and the New Century with many excellent articles of value to housekeepers who are interested in home-keeping and home-making. How to prepare things to eat in the most palatable and nourishing manner is always a main feature of this magazine. Illustrated cookery is a permanent feature of Table Talk. It gives each issue a number of illustrations of practical everyday dishes, showing how they can be served invitingly. Table Talk teaches the art of good cooking and wise and economical living. It is a reliable aid to busy housewives. Our readers can obtain a free sample copy by addressing The Table Talk Publishing Co., Philadelphia, Pa.

### Kansas Luck.

The women of Wichita have been canvassing the town for subscriptions in aid of the poor. They tackled Mr. L. R. Delaney of the Santa Fe in a cigar store. He had just one nickel in his pocket. He took this out, walked over to the slot machine, and dropped it in. Out rolled \$5 in nickels, which Delaney piled into the apron of one of the women. The Lord works in mysterious ways his wonders to perform.

## Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Quality and not quantity makes DeWitt's Little Early Risers such valuable little liver pills. Grant Holden.

Many a man is compelled to take married life according to directions.

Such little pills as DeWitt's Little Early Risers are very easily taken, and they are wonderfully effective in cleansing the liver and bowels. Grant Holden.

According to court etiquette the prisoner always comes before the judge.

The merited reputation for curing piles, sores and skin diseases acquired by DeWitt's Witch Hazel Salve, has led to the making of worthless counterfeits. Be sure to get only DeWitt's Salve. Grant Holden.

A theatrical manager says a great many men go broke trying to make a show.

The most soothing, healing and antiseptic application ever devised is DeWitt's Witch Hazel Salve. It relieves at once and cures piles, sores, eczema and skin diseases. Beware of imitations. Grant Holden.

The wrongs of other people are continually getting mixed up with our rights.

When threatened by pneumonia or any other lung trouble, prompt relief is necessary, as it is dangerous to delay. We would suggest that One Minute Cough Cure be taken as indications of having taken cold are noticed. It cures quickly and its early use prevents consumption. Grant Holden.

Probably Lot's wife passed some other woman and turned to see what she had on.

This season there is a large death rate among children from croup and lung troubles. Prompt action will save the little ones from these terrible diseases. We know of nothing so certain to give instant relief as One Minute Cough Cure. It can also be relied upon in gripe and all throat and lung troubles of adults. Pleasant to take. Grant Holden.

Help... Nature

Babies and children need proper food, rarely ever medicine. If they do not thrive on their food something is wrong. They need a little help to get their digestive machinery working properly.

Scott's Emulsion of Cod Liver Oil with Hypophosphites of Lime & Soda

will generally correct this difficulty.

If you will put from one-fourth to half a teaspoonful in baby's bottle three or four times a day you will soon see a marked improvement. For larger children, from half to a teaspoonful, according to age, dissolved in their milk, if you so desire, will very soon show its great nourishing power. If the mother's milk does not nourish the baby, she needs the emulsion. It will show an effect at once both upon mother and child.

50c. and \$1.00, all druggists. SCOTT & BOWNE, Chemists, New York.
